

World Language Teacher Leader Program

Pathway A: ACTFL Virtual Learning Module PD Opportunities

This professional development opportunity is comprised of three Virtual Learning Modules provided by American Council on the Teaching of Foreign Languages (ACTFL) around:

- World Language Standards
- the Language Proficiency Scale
- Communicative and Intercultural Communication Can-Do statements

Teachers will have access to the three Virtual Learning Modules from December 2, 2019 - April 30, 2020 and can work at their own pace. **Deadline to [register](#) is December 20, 2019.**

Participation has been organized into three tiers, so teachers can choose which tier best meets their needs.

Tier	Description	Contact Hours	Cost
1	Access content but does not complete all reflections and prompts	Contact hours for content accessed (approx. 2 hours)	Free
2	Access content and complete all reflections and prompts	Contact hours for content accessed and reflection work completed (approx. 4-5 hours)	Free
3	Access content and complete all reflections and prompts. Complete a culminating project that demonstrates the essential components of the professional development. <i>This tier is one pathway to the World Language Teacher Leader Cohort.</i>	Contact hours for content accessed and work completed. (approx. 12-13 hours) A stipend of \$375.00 for up to 20 teachers will be provided for producing a culminating project that demonstrates the essential components of the professional development and “meets expectations” in all rubric* categories.	FLAME membership

These Virtual Learning Modules will also be supported with one face-to-face meeting in March at various locations across the state**. Tier 3 participants will have an additional face-to-face meeting opportunity to support their culminating project work in May at various locations across the state**.

Questions can be directed to: lavinia.m.rogers@maine.gov or flamesummerinstitute@gmail.com

*rubric will be available November 26, 2019

**geographically central locations for face-to-face meetings will be determined based on participants' locations
